September, 2009

Dear Sponsor:

Formed in 2004, the St. Charles Junior Tennis Association has been actively involved over the last 5 years in the promotion and development of the sport of tennis, primarily for juniors. Each year our program has grown in the number of young people that have been introduced to the sport of tennis. Starting out by offering programs for two months of the year, we are now offering lessons year round.

The most exciting development in our brief history is now unfolding. This fall we will be opening our own indoor QuickStart Tennis Club. QuickStart Tennis is a USTA initiative to make tennis easier to learn, with youngsters having more fun in the process. For more information on this format, go to www.quickstarttennis.com. Our club is one of the first of its' kind in the United States. I have already been contacted by Anne Davis, who is the National QuickStart Manager. She is excited about our club, and complimented us on our innovative ideas.

We are pleased to extend sponsorship opportunities at this time. As a non-profit (501) (c) (3) corporation, any donation that you make is tax deductible. We are counting on the support of our friends in the community to make this program possible.

We have 4 different Sponsorships available: For a contribution of \$500 or more, your company or group will be acknowledged on both of our web sites. For a contribution of \$1000 or more, you will be listed on our web sites and hi-lighted on our membership T-Shirts. For a contribution of \$2000 or more you will be recognized the same as the other sponsors, but will also have a banner displayed at our facility. All of these sponsorships are for 1 year.

If you would like to be a "Founding Sponsor", for a contribution of \$2500 or more, you will be recognized as such, as well as being listed on our web sites, displayed on our T-Shirts, and will have a banner displayed at our facility for 5 years. This kind of sponsorship will only be available until we officially open our doors, which right now is scheduled for October 19, 2009.

Thank you for your consideration and support. Should you have any questions, please contact me at the above number. I can also be reached at timmatacio@msn.com.

Sincerely,

Tim Matacio
