

## FUNDRAISING THE EASY WAY

Ciolino Fruit & Vegetable Markets would like to help you earn extra money for your church, school or club.

It's easy, simple and we do all the work. Here's how easy it is:

1. You are provided (at no expense to you) preprinted discount coupons from Ciolino's.
2. You choose a "promotional week" for your members to shop.
3. At the end of your members' shopping week, Ciolino's will provide you with a refund check totaling 10% of the total sales.
4. A list of your members and the total amount of their purchases will be provided.

So, if your organization spends \$4,000 during its promotional week, a check for \$400 is yours. There's no upfront costs to you, no volunteers needed, no cleanup and food is something everyone needs.

If you are interested in this great opportunity to earn extra money for your organization, contact Ciolino's at one of their locations.
